**Subject:** Poor Water Quality- Forty Love Point

Hi,

I live at 320 Forty Love Point in Chapin and I understand that there has been a protest filed on behalf of our neighborhood under Docket 2011-47-WS regarding the rate increase and poor quality of water. I would like to let you know that we have also had poor water quality, poor water pressure and we are absolutely enraged that Utilities, Inc is seeking to increase rates further when we already pay far too much for awful water quality. We have had brown water, Clorox smell in our water and as I mentioned, poor water pressure at times. I seriously even doubt that the water we get out here is safe for drinking despite what DHEC says. I would like this complaint filed with the above mentioned docket number.

Elisabeth Bowman
